

Councillor Update number 5 – 17th April 2020

(a) Virtual Meetings

I am sure you can appreciate that we are working under difficult times and learning new skills along the way 😊

The Council have to make a decision if to hold the Annual Meeting or not. This is not a decision that can be made by the Clerk in conjunction with the Chairman. In order to make a decision of Council we need to have a meeting. This will be held virtually on the 28th April 2020 at 7.30pm.

This does not mean that all meeting are to be reinstated, this is a discussion for Council and the agenda will be send out to you in due course and a link to the meeting.

Next Tuesday 21st April at 7.30 there will be a trial of zoom to ensure that all Councillors are able to join in. Megan will send out a link to the meeting on Tuesday afternoon if you have problems do get in touch (mobile 07458 385 025). This is not a meeting of Council and no decisions will be made.

I have attached guidance notes for virtual meetings, these are in addition to standing orders.

(b) Road Works Anstey

Please see attached

(c) Motorbike – Recreation Ground

There was a burnt out motorbike on the recreation ground this happened last weekend. This was removed by the insurance company on Wednesday.

(d) Garden Waste Collection

Charnwood Borough Council are resuming the Garden Waste Service as from Monday April the 20th. They have asked if he can spread the word. I have attached a poster if you have the ability to display this anywhere. We will be putting this notice on Facebook and the website new week.
