

Dementia Support for Leicester City, County and Hospitals

For people living with dementia, their families and carers across Leicester City, Leicestershire County or have an admission to Leicester's Hospitals.

Refer to us and we can:

- **Provide tailored information about dementia**, this could be for the person receiving the diagnosis and/or a family/carer
- **Promote independence at home**, including referring on for a community care, carers need or benefit assessment as well as exploring strategies to help manage the challenges presented by dementia
- **Discuss what support is available in the community**, including signposting and referring on to other services for continued support
- **Encourage planning for the future**, including information on the progression of dementia, lasting power of attorney and advanced decisions and statements
- **Provide individual emotional support and information before and during a hospital stay**, including information about dementia and the discharge process

To refer to the team or to discuss further:

- **Call**
0116 231 6921

We also welcome self-referrals

We need:

- **The person with dementia or their family to agree and be aware of the referral**
- **Person with dementia details:** name, date of birth, address, contact number
- **Carer/family details:** name, relationship, address, contact number
